STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on January 09, 2024 while exercising my duties as a law enforcement officer in the EASTERN District of North Carolina

At the above date and time, I (J. Evans #310) observed a white in color delivery truck traveling at what appeared to be a high rate of speed travelling Northbound on NC-12 In the vicinity of Ramp 30. I confirmed the vehicle's speed via the onboard forward facing radar of the patrol vehicle to be 68 mph in a 55 mph zone. I activated the onboard lights to effect a traffic stop, however the operator of the box truck did not respond to emergency lights. I also activated the on board siren at different tones, as well as the patrol vehicle air horn, all of which the driver also did not respond to, maintaining speeds of 68pmh to 71 mph. I maneuvered my patrol vehicle over the highway dividing line as well as the fog line to be as visible as possible for the driver, who continued to not respond by slowing down or making any effort to yield; at this point we had traveled over for miles. At approximately 4.3 miles, just before ocean side ramp 25, the operator finally slowed the box truck down and began to pull to the side of the road; at this point there was also a North Carolina State Trooper also following the truck and trying to get the operator's attention.

Upon approaching the box truck, I identified the operator as Mr. David Alexander whom claimed he was distracted and did not realize there were law enforcement vehicles following him for over four miles with lights and sirens. There was also a passenger in the vehicle who also claimed he was unaware.

Mr. Alexander was cited under (NC-GS-20-157) Failure to yield for blue lights and siren; he was compliant throughout. All on board radar tests were satisfactory, before and after shift.

The foregoing statement is based upon:

- ☐ my personal observation ☐ my personal investigation
☐ information supplied to me from my fellow officer's observation
☐ other (explain above)

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge.
